# This Year and Another Year for Shanyuan

YaoFang Chen

This year, under the correct leadership of our party committee and government, with strong support and joint efforts from all walks of life, all charitable organizations and social service agencies with Shanyuan exerted their respective strengths and forged ahead. Last year, Shanyuan Program won a China Charity Award. This year, our Lotus Program won the 6th Zhejiang Charity Award. Shanyuan has played its exemplary role as a benchmark in the region and the sector for public good.

By the end of 2019, Shanyuan had raised and put to use a total of ¥431.5731 million, of which ¥88.1632 million was raised and put to use in 2019.

The charity work of Shanyuan has been focused on three fields, i.e. Distress Relief, Advocacy of the Philanthropic Culture, Social Impact Investment.

For Distress Relief, we have completed a total of 199 education assistance programs, in which 134,808 donations supported 98,294 needy students; we have completed a total of 703 medical assistance programs, in which 725,896 donations supported 1,113 critically ill patients; we have completed a total of 405 poverty relief programs, in which 57,642 donations supported 8,405 needy families; we have completed a total of 15 disaster relief programs, in which 25,654 donations supported 1,450 affected families.

For Advocacy of the Philanthropic Culture, we have expanded and deepened Shanyuan Charity Week, Shanyuan Spring Festival, Shanyuan Bazaar, Shanyuan Laba Congee, Shanyuan Public Piano and other brand programs in the Temperature of the City Series. The launch of Ningbo's first Public Piano, "La La Land" Public Piano Promotion cum "NB Hong Hong" Short Video Contest Season Final Award Party and so on all have shown the style and features of Ningbo as a city of love and culture.

As for Social Impact Investment, our Lotus Program and Non-Profit Loan Transfer have continued the development momentum and good social benefits.

In the process of implementing the above public service activities, Shanyuan mobilized more than one million volunteers from all walks of life.

This year, Shanyuan also participated in or organized various activities, such as the National Rural Revitalization and Poverty Alleviation Cooperation (Ningbo) Forum, the 2nd Cross-Straits Forum on Rural Revitalization, Zhejiang Internet + Social Poverty Alleviation Work Conference, Poverty Alleviation Day 2019 and Yinzhou District Poverty Alleviation Week, China Yunus Week: Goodness Forum in Ningbo.

As the service targets of Shanyuan become increasingly diversified, Shanyuan has established the Public Painting and Calligraphy Institute and Social Innovation Laboratory in succession relying on local resources and cultural characteristics of Ningbo, to give full play to its resource advantage and organizational advantage with calligraphy and painting as the medium and the laboratory as the carrier, so as to create more and better public service models, and expand more and richer public service channels.

In 2020, guided by our party committee and government's "people first and virtue first" administrative philosophy, in the process of creating a new solution to regional social governance and building a "good governance" brand, Shanyuan will focus on "system construction, brand promotion, product innovation", to play more, better and greater roles in uniting people, purifying souls and serving the society, etc.

"If you want to do a good job, you must sharpen your tools first." For Shanyuan, the "tools" are our rigorous internal control system, strong public service brands and thoughtful charity products.

In 2020, Shanyuan will comb through, adjust and improve our rules and systems in accordance with the international quality standard system.

In 2020, Shanyuan will optimize brand building based on its position as a park of Philanthropies.

In 2020, Shanyuan will create new charity products by providing accessible services to donors and enabling donors to enjoy their decision rights.

Shanyuan will not let you down in 2020!

## 慈善文化倡导 Charity culture advocacy

### “善园·善集”——在善园过大年 “Shanyuan · Bazaar”——Spring Festival at Shanyuan

过年是中国人最重要的节日，也是各种习俗规矩最多的日子。掸尘、祭灶、写春联；饺子、灯笼、贴窗花，爆竹声中一岁除，到处都是满满的年味。

有人说，年纪一岁岁地长着，城市一年年地建着，孩提时熟悉的年味，却越来越淡了.....

幸运的是，年味虽不似以前浓厚，但亲情总是依旧；

也有人说，年味渐淡是因为现在的人天天在过年，好吃的、好玩的、想要的随时唾手可得，以前可是整整酝酿一年才在春节一一捧出，那种期待和兴奋才是现在的人特别怀念和难忘的吧。

过年这个，普天同庆、合家团圆的节日，蕴含了中国人美好的愿望和憧憬：年年有余、开门纳福、来年大吉、万象更新.....

我们都喜欢中国的年味，人活一世，总要吵吵闹闹，纷纷扰扰，绚烂然后归于平静，那才是岁月安好。

在这个猪年新春，善园特别推出了“逛善园·过大年”活动，整个园子上下焕然一新，特地换上了红艳艳的新景：春联、窗花、灯笼、门神；各种小装饰随手一拍就是充满年味趣意的风景。放荷灯、“闹”元

宵，正是求个“热闹”。剪窗花、拓年画、体验舞龙、扎花灯……每个项目都涵盖了传统文化和宁波习俗，结合极富创意的娱乐活动，让传统文化也再次焕发生机，既富有娱乐性，又具备知识性，让现场的市民实地体验了一把年味十足的过大年、闹元宵、寻善行。

Spring Festival is the most important festival for Chinese people and a festival with the most customs and rules. People dust their houses, worship the Kitchen God, write Spring Festival couplets, make dumplings, hang lanterns, paste paper cuttings for window decoration and say goodbye to the past year in the sound of firecrackers. Everywhere is full of the flavor of Spring Festival.

Some say we get older year by year and build our cities year by year, but the familiar flavor of Spring Festival in our childhood is becoming thinner and thinner.

Fortunately, although the flavor of Spring Festival is not as strong as before, family affection is always the same;

Some say the flavor of Spring Festival is becoming thinner because nowadays every single day is like Spring Festival. Good food, fun and whatever we want are right here at our fingertips. In the past, people had to prepare for a whole year to present those things one by one during Spring Festival. That

kind of anticipation and excitement are what people nowadays especially miss and cannot forget.

Spring Festival, a festival for universal celebration and family reunion, contains Chinese people's beautiful wishes and visions: more than enough things are harvested every year; good fortune pours into the door; good luck in the coming year; everything is fresh again, etc. We all like the flavor of Spring Festival. Our life is always full of noise and troubles, but only if we return to quietness after glory can we lead a safe and sound life.

To celebrate the Spring Festival of the Year of the Pig, Shanyuan specially launched "Spring Festival at Shanyuan". The whole park took on a new look decorated in red: Spring Festival couplets, paper cuttings for window decoration, lanterns, door gods; any small ornament was a perfect sight full of the flavor of Spring Festival. Releasing lotus lamps and celebrating the Lantern Festival are just for an air of festivity. Making paper cuttings for window decoration, printing Spring Festival pictures, experiencing the dragon dance and making festive lanterns, each item contains traditional culture and Ningbo customs. Coupled with creative recreational activities, they brought traditional culture back to life, entertaining and informative. Citizens present experienced a Spring Festival, Lantern Festival and good deeds with a strong flavor of Spring Festival.

## 善园·城市温度——腊八派善粥

Shanyuan · Temperature of the City—Laba Congee

在1月13日农历腊八当天，宁波街头有一群这样的身影，他们忙着盛粥、送粥，每个人都吆喝着：“喝腊八粥咯……”一位路过的市民捧着一碗热乎乎的腊八粥，高兴地说：“在这么冷的冬天喝上一碗暖暖的腊八粥，感觉很温暖，真好！”

这是继2018年腊八爱心粥活动之后，善园再次启动的城市温度系列派善粥活动。2018年善园首次组织城市温度派善粥活动，市民参与踊跃。本次活动号召市民参与随手公益，每人捐赠3元为身边的人筹集一碗热腾腾的腊八粥，最终共有360人参与，筹款9300多元。同时善园携手甬派、盒马鲜生、浙江普拉多车友会等公益生力军，最大力度保障活动的顺利举行。

善园的志愿者们从活动开始前一周开始就投入忙碌的采购食材、分配物料、安排点位、借保温桶等繁杂的工作中，盒马鲜生的厨师师傅们通宵达旦熬好了足量的腊八粥。

腊八当天，从早上六点多开始，500多名志愿者分赴明州里、宁波汽车南站、城管义工总部、都市森林社区等40个点位派发腊八粥，传递爱心善意，让更多当天没来得及喝粥的市民、早起买菜的老人、起早摸黑的环卫工人、风尘仆仆的旅客都能收到一份来自陌生人的小小善意，整个派发活动中，共派出14000多份热气腾腾的腊八善粥，传递宁波特有的城市温度。

On Jan. 13, the 8th day of the 12th lunar month, there were a group of people on the streets of Ningbo. They were busy filling bowls with congee and serving them. Everyone

shouted like vendors: “free Laba congee!” A passing citizen holding a bowl of hot Laba congee said happily: “it feels very warm to have a bowl of hot Laba congee on such a cold winter day! It’s so nice!”

After its charitable Laba Congee Distribution in 2018, once again Shanyuan launched the Laba Congee Distribution in its Temperature of the City series. In 2018, Shanyuan organized Temperature of the City Laba Congee for the first time. Public participation was high. It called on the public to participate in casual public service and donate ¥ 3 each person to serve a bowl of hot Laba congee for people around us. A total of 360 people participated and over ¥9,300 was raised. In the meantime, Shanyuan joined hands with YOOGE, Freshippo, Zhejiang Prado Auto Club and other public service forces to ensure smooth operation of the activity with maximum efforts.

Shanyuan volunteers were busy purchasing ingredients, distributing materials, arranging locations, borrowing insulation barrels and so on one week before the activity began. Freshippo cooks cooked enough Laba congee overnight.

On the 8th day of the 12th lunar month, starting from 6:00 am, more than 500 volunteers went to distribute Laba congee at 40 locations at Mingzhouli, Ningbo South Bus Station, Urban Management Volunteer Headquarters, Urban Forest Community and so on to spread love and goodwill, so that kindness from strangers could be delivered to more people who did not have time to eat Laba congee that day, including old people who get up early to buy vegetables at the morning market, sanitation workers who work from early in the morning till late at night and tired travelers. More than 14,000 bowls of steaming Laba congee were distributed in this activity, delivering the unique Temperature of the City in Ningbo.

## 植树节活动

Arbor Day activities

春风又起的季节，绿色新染花儿已开。一过惊蛰，天气就骤然暖和过来，山野泛着青，柳条抽出了新芽。声声春雷里，那贵如油的春雨也淅淅沥沥的落下来。漫山遍野笼罩在轻纱样的雨雾里，清新，湿润，在这个如画儿一样的美丽的时节里，善园的工作人员和大家一起种下的蓝莓和紫薇焕发出了无限的生机。

看，那一簇簇如白色小灯笼般的蓝莓花，沉甸甸的坠在枝头，我们仿佛已经看到秋后酸甜的蓝莓等着我们来品尝。

还记得去年刚种下是光秃秃的紫薇树苗么？历经春夏秋冬，雨打风吹，现在已是枝叶繁茂，一派生机勃勃。

杨柳烟外晓寒轻，红杏枝头春意闹。在这个草长莺飞的季节里，我们再次启程出发，“拥抱春天，播种绿色”的植树节活动如火如荼地展开。

3月10日—15日期间，由宁波善园招募的亲子家庭自驾前往了鄞州区塘溪镇童村董山湖畔进行植树活动。在父母的陪伴下，孩子们种下了一棵棵小树苗，父母和孩子一起为树苗填土、浇水，和树苗合影，虽然下雨后的场地略显泥泞，但大家植树的热情却如当日的骄阳一样高涨，在大家的相互协作下各个团队都在童村董山湖畔留下了属于自己的护善林。

When the spring breeze blew again, the world was dyed with new green and flowers were in full bloom. After the Waking of Insects, the weather suddenly warmed up. The hills and fields became green. Leaf-shoots began to sprout on willows. In the deafening spring thunder, spring rain as precious as oil pattered. The hills and fields were covered with gossamer misty rain, fresh and moist. In this picturesque season, the blueberries and crape-myrtle planted by Shanyuan staff and caring people showed boundless vitality.

Looking at the clusters of blueberry flowers like small white lanterns hanging heavily in the branches, we could foresee sweet and sour blueberries waiting for us to taste in autumn.

Do you remember the leafless crape myrtle saplings planted last year? After spring, summer, autumn and winter, wind and rain,

they already became luxuriant, leafy, vibrant.

“Green poplars stand in the misty rain in the slightly cold dawn, while the red apricot blossom is showing off spring on their branches.” In this season when grasses are tall and nightingales are in the air, we set out again. The Tree Planting Day activity “Embrace Spring, Plant Green” was in full swing.

During March 10—15, families with children gathered by Ningbo Shanyuan drove themselves to plant trees by Jinshan Lake in Tong Village, Tangxi Town, Yinzhou District. Accompanied by their parents, children planted saplings. Parents and children filled back the soil, watered the saplings and took photos with them. The ground was slightly muddy after the rain, but everyone’s passion for planting trees was as high as the sun. With mutual cooperation, every team left their own philanthropic woods by Jinshan Lake in Tong Village.

## FUN · 公益跑——儿童节，我们为爱奔跑 FUN · Charity Run——On Children's Day, We Run for Love

6月1日上午，一阵阵欢声笑语飘扬在鄞州公园的上空，给原本阴沉的天空都带上了生动的彩色。一场别开生面的爱心接力赛正在如火如荼的进行着。

伴随着家长和孩子们的欢声笑语，跑完全程的家人们虽然满头大汗，但俯身注视自家孩子时的眼神，充满着自豪，孩子们意犹未尽，围绕在父母的身边讨要水与糖果。尚未完成比赛的家长，一边安抚孩子躁动的情绪，一边奋力地随着孩子向前奔跑。

这是善园携手甬派与假日小队在儿童节发起的“FUN·公益跑”活动现场，孩子们为了远在贵州的皮林小学258位孩子有一个明净卫生的食堂而奋力奔跑，冲破重重难关。

距离宁波1600多公里的贵州省从江县洛香镇皮林小学有258名学生，近300名师生与大大的灶头和陈旧斑驳的杂货柜，共享一个仅30平不到的食堂。孩子们用自己的方法试图解决空间不足的难题——蹲在操场上吃午餐，顺便还能与小伙伴们聊聊天儿。美中不足的是，饭菜易冷，且经常跑进灰尘等“佐料”。

浙江日出实业集团有限公司的志愿者偶然发现这一情况后，联系善园，希望为这些孩子们做点什么，于是在这个属于孩子们的节日，宁波的孩子们用自己的爱心和努力，为远方的小伙伴送上了一份特殊的节日礼物。

在这场短短60分钟的公益跑中，共有153组家庭报名，实际完赛人数388人。总计为贵州省从江县皮林小学的师生们募得善款94888元。

On the morning of June 1, the air was full of happy laughter and cheerful voices in Yinzhou Park, adding some vivid color to the gloomy sky. A special love relay was in full swing.

In the happy laughter and cheerful voices of parents and children, parents who finished the race were sweating profusely, but their eyes were full of pride when they bent over their children. Children were still energetic. They gathered around their parents, asking for water and candy. Parents who didn't finished the race yet ran along with their children as hard as they could while soothing their children's restlessness.

This was the scene of FUN·Charity Run jointly initiated by Shanyuan, YOOGI and Holiday Team. The children ran against all odds to build a clean canteen for the 258 children at Pilin Primary School in Guizhou Province.

Pilin Primary School in Luoxiang Town, Congjiang County, Guizhou Province over 16,00km away from Ningbo has 258 students. Nearly 300 teachers and students shared a canteen smaller than 30 with large stoves and old motley containers. The children tried to solve the problem of insufficient space in their own way. They squatted on the playground and chatted with their friends over lunch. The fly in the ointment is that their food became cold easily, and dust and other "condiments" often fell on their food.

Upon discovering this by accident, volunteers of Zhejiang Sunrise Group Corporation contacted Shanyuan, hoping they could do something for those children. Therefore, on Children's Day, a festival for children, Ningbo's children sent a special gift for their friends from afar with their love and efforts.

153 families signed up for the 60-minute charity run. 388 people completed the race. A total of ¥94,888 was donated for teachers and students of Pilin Primary School in Congjiang County, Guizhou Province.

## 过佳节——善园过端午 Festivals——Shanyuan · Dragon Boat Festival

又是一年佳节至，2019年端午格外与众不同，善园的清晨从浓郁的菖蒲与雄黄酒的味道开始，白酒的香冲淡了雄黄的辛辣，二者调和，有驱虫的奇效。配上兰汤里青翠的艾叶以及香花，活动的初始便营造出了浓浓的端午氛围。

小朋友们签到后，就可以体验一下古人沐兰汤、点雄黄的步骤。兰汤清静，净手净心；雄黄驱邪，能保护小朋友们健康平安，不受蚊虫叮咬之苦。简单的步骤，寄托的是家中长辈对小辈的祝福与关爱。

一进创业堂，孩子们就被堂中摆放着的粽叶糯米等原料吸引了，纷纷围在大桌边上好奇地看着，时不时还要动手摸上一摸。负责教学的老师瞬间成为了孩子们心中的大明星，被“众星捧月”般地围在中间。看着老师巧手翻飞，取粽叶，填入糯米与红枣，双手一窝一合，一个小巧玲珑的粽子模样便有了。再取过细线将粽子包扎好，不到片刻，粽子便完工了，孩子们的眼睛里写满了崇拜，嘴巴惊得合不拢，纷纷缠着家长们赶紧动手，制作一两个粽子。

另一边的香囊制作现场。每个小朋友都拿到了一份材料包，正在认真地看着老师们示范教学。先填棉花，再放些香草粉末，回填棉花，两手将绣囊封口，小朋友们认真缝合，家长们时不时动手帮忙。处处弥漫着温馨与温情。

城市垃圾流动博物馆里，孩子们发挥自己想象力，让被遗弃的废物得到了重新利用，变成精美的艺术品。

欢乐的时光总是如此短暂，纵然整场活动受到了阴雨天气影响，但孩子们的欢笑是对工作人员们最好的奖励，看着园区内挂的满满当当的祈福树，翻阅着大朋友小朋友们开心满足的合照，想来，这一年的端午，大家应当是充足与幸福的。

Dragon Boat Festival was here again, but it was different in 2019. The morning began with a rich bouquet of calamus and realgar wine at Shanyuan. The pungent smell of realgar was tempered by the aroma of liquor. This combination has a very good effect of expelling insects, in addition to the green mugwort leaves and basil in the bath water. The activity created a thick Dragon Boat Festival atmosphere from the very beginning.

After signing, children could experience the ancient herbal bath and get a realgar dot painted on their foreheads. The herbal bath is clear and pure. It cleans our hands and purifies our souls. Realgar wards off ill luck and evil. It can guard children's health and safety, protecting them from mosquito bites. Those simple steps show blessings and care of elders for the younger generation.

In the Startup Hall, children were attracted by the rice and reed

leaves placed in the middle of the hall. They gathered round the large table, watched curiously and touched those things on the table occasionally. The teacher at once became a star in the children's hearts. She was surrounded by children like the moon surrounded by stars. The teacher swiftly took some reed leaves, filled in rice and red jujubes, clasped her hands, and a small and exquisite zongzi took shape. She then took a thread to tie up the zongzi. In the blink of an eye, a zongzi was finished. The children's eyes were filled with adoration. They were openmouthed, pestering their parents to start making zongzi.

The other side was a sachet making workshop. Each child was given a material package. They were watching the teachers' demonstration carefully. Fill in some cotton, add some vanilla powder, fill back more cotton, then seal up the sachet with both hands. The children sewed carefully. Their parents lent a hand from time to time. The scene was full of warmth and affection.

In the Mobile Museum of Urban Garbage, children used their imagination to turn abandoned waste into fine works of art.

Happy times are always so short. It was dark and rainy throughout the event, but children's laughter was the best reward to the staff. Judging from the wishing trees covered with good wishes and the albums full of group photos of happy and contented parents and children in the park, surely everyone was satisfied and happy with this year's Dragon Boat Festival.

## 善社筑梦 困境儿童

### Building Dreams for Children in Distress

“善社筑梦困境儿童”项目是宁波鄞州银行公益基金会和中国社会工作教育协会联合发起的“百校百行助百县”行动之一，由长春理工大学社会学系共同参与执行，面向吉林省延边朝鲜族自治州和龙市困境儿童，持续开展情绪疏导、抗逆力提升与职业生涯规划辅导活动，结合发放图书、文具等物资的社会工作服务项目。

2019年3月，长春理工大学社会学系卜长莉教授带领六名社会工作硕士，在吉林省延边朝鲜族自治州和龙市光明小学开展了“抗逆力提升计划”以及“职业生涯规划计划”。

“善社筑梦困境儿童项目”主要包括前期筹款、调研、中期实施、后期总结几个阶段。

项目自2018年9月起从筹款、调研到执行，对和龙市光明小学等地的困境儿童家庭、学校的基本情况以及学生的特点进行了调查与了解。

通过调查和对学校相关领导与教师的访谈中发现很多服务对象内心较封闭、自信心不足且存在学习积极性不高、抗挫折能力较差以及人际交往障碍、缺乏远大理想等

问题。对此，项目团队深入分析其形成原因并进行了项目方案设计以求为服务对象提供实质而有效的服务。

项目重点关注对服务对象的“精神”扶贫，通过“职业生涯规划”和“抗逆力提升”相关服务为留守儿童和贫困儿童们“扶心、扶志、扶智”，建立社工服务站，对全市中小学教师进行社会工作教育和心理健康知识培训，购买沙盘实验设备，并建立社会工作专业实习基地。项目执行团队在本次困境儿童服务项目中采取以小组活动为重点，个案辅导为补充的社会工作实务模式，是一次社会工作参与脱贫攻坚、服务困境儿童的成功尝试。项目运用优势视角和社会工作“助人自助”的价值理念，帮助困境儿童解决问题和增强能力，使他们更好地适应学校生活并融入社会生活。

教育扶贫旨在通过教育意识和教育模式，提高学生的学习积极性。也许短期内收效甚微，但长远而言，则为明智之举。此次社工服务的作用：

一是探索，探索社会工作参与教育扶贫的新模式。高校教育扶贫，在于扶智，保证困境儿童发展的可持续性，

拒绝重返贫困，抗逆力提升、职业规划思想为先驱；

二是展望，展望教育扶贫未来发展的新路径。对于义务教育阶段的青少年而言，抗逆力提升、职业规划是非常重要的一课，打好脱贫攻坚战，精准扶教，以智助飞，社会工作参与教育扶贫，有迹可循。

“Building Dreams for Children in Distress” is one of the actions in the “100 Actions by 100 Universities Helping 100 Counties” jointly initiated by Ningbo Yinzhou Bank Foundation and China Association for Social Work Education. The Department of Sociology of Changchun University of Science and Technology takes part in its implementation. It is a social work service program that offers emotional counseling, resilience improvement, career counseling, distributing books, stationery and other supplies to Children in Distress in Helong City of Yanbian Korean Autonomous Prefecture, Jilin Province, and provides books, stationery and other materials.

In March 2019, Prof. Bu Changli from the Department of Sociology of Changchun University of Science and Technology led 6 social work graduate students to carry out the “Resilience Improvement Program” and “Career Planning Program” at Guangming Primary School in Helong City of Yanbian Korean Autonomous Prefecture, Jilin Province.

The Program “Building Dreams for Children in Distress” mainly consists of several stages, i.e. early stage fund-raising, research, middle stage implementation, and later stage summary.

In Sept. 2018, the program started from fund-raising and research to implementation. The basic situation of the families of children in distress, Guangming Primary School and the characteristics of those students in Helong City were investigated and understood.

Through investigation and interviews with the school’s leaders and teachers, it was found that many of the service targets had their hearts closed, lacked self-confidence, had low learning initiative, poor anti-frustration ability, interpersonal communication barriers, lacked lofty ideals or had other problems. In this regard, the program team deeply analyzed the reasons for those problems and carried out program design in order to provide substantive and effective services for the targets.

The program focuses on spiritual poverty alleviation for service targets. Through “career education” and “resilience improvement”, the program helps left-behind children and

needy children by “supporting their hearts, aspirations and intelligence”. A Social Work Service Station has been established to provide the city’s primary and secondary school teachers with social work education and mental health knowledge training. Sand tables and experiment equipment are bought for them, coupled with the Social Work Professional Practice Base. The implementation team adopted a social work practice pattern focusing on group activities supplemented with case counseling in this service program for children in distress. It was a successful attempt to involve social work in fighting poverty and serving children in distress. Using the strengths perspective and the values of social work: “help people to help ourselves”, this program helps children in distress solve problems and enhance their abilities so that they can better adapt to school life and blend into social life.

Poverty alleviation through education aims to improve students’ learning initiative by forming their education awareness and education patterns. It may not work in the short run, but it’s a wise action in the long run. The effects of this social work service are as below:

The first is to explore new ways of involving social work in poverty alleviation through education. The purpose of poverty alleviation through education by universities is to foster intelligence, ensure sustainable development of children in distress, help them refuse to return to poverty, improve their resilience and form the awareness of career planning;

The second is to look into new development paths for poverty alleviation through education in the future. For the teenagers in the stage of compulsory education, resilience improvement and career planning are very important lessons. For poverty elimination, targeted education support gives children the wit to fly. There are traces to follow for involving social work in poverty alleviation through education.

## 善伙伴——“银巢养老”，用长者力量去改变世界 Philanthropies Partner ——“Silver Nest Twilight Years”, Elders Change the World

“有温度的养老”。这是中国老龄办原机关党委副书记张恺梯书记、中国人民大学老年学研究所所长杜鹏教授对“银巢”养老项目的评价。

短短4年时间，这个由几位宁波大学生共同发起的养老项目，从一个暑期课题，发展成中国积极养老第一梯队的成员；从不被大多数人看好，到荣获各类奖项荣誉40余个；从没有社区愿意合作，到覆盖40余个社区，开展活动课程约2500次；服务人数达30000多人。

### 积极养老概念获得认可

“银巢”养老项目提出一个概念“帮助老年人从被服务者转变成价值创造者。”但是社会上否定的声音居多，大家都觉得更需要的是居家养老服务。

但是银巢的创新理念，受到了专业人士的认可。创始人李靖慧带着这个项目参加了鄞州银行公益基金会的“牵手鄞州”比赛，获得了创业的重要资金。

2017年10月，宁波市鄞州区银巢养老服务中心（简称银巢）在宁波鄞州区民政局注册成功，成为浙江省首例由在校大学生注册的养老民非机构。

“跟第一个社区合作，我们用了一年的时间，然后从第一个社区到40个社区，我们只用了半年的时间。”创始人李靖慧说，落地运作至今，银巢以宁波鄞州区为主，覆盖了40多家社区，实现不同程度的合作，服务30000多人。

“我们用4年时间来证明，这个方向是对的。”

“Warm twilight years” is the comment on “Silver Nest Twilight Years” Program by Mr. Zhang Kaiti, former deputy secretary of the party committee of China National Committee on Ageing, and Prof. Du Peng, head of Institute of Gerontology of Renmin University of China.

In just four years, this Twilight Years program jointly initiated by several Ningbo college students has grown from a summer vacation project into a top active twilight years program in China; from a project not viewed favorably by most people into a project winning over 40 all kinds of awards; from no community willing to cooperate to covering more than 40 communities, offering 2,500 activity courses, serving over 30,000 people.

### The Concept of Active Twilight Years Gains Recognition

“Silver Nest Twilight Years” Program presents the idea of “helping the elderly transform from beneficiaries into value creators.” There were more negative voices in the society. Everyone agrees that home-based care is more needed by the elderly.

But the innovative concept of silver nests has been recognized by professionals. The founder Li Jinghui took the program to Yinzhou Bank Foundation's “Hand in Hand with Yinzhou” Contest, which secured important funding for the startup.

In Oct. 2017, Ningbo Yinzhou Silver Nest Elderly Service Center (Silver Nest for short) was registered at Yinzhou Civil Affairs Bureau, and became the first private non-enterprise elderly service organization registered by a college student in Zhejiang Province.

“It took us a year to work with the first community, and then we went from the first community to 40 communities in half a year.” According to the founder Li Jinghui, Silver Nest covers more than 40 communities in Yinzhou District of Ningbo and serves more than 30,000 people through different degrees of cooperation.

“It took us four years to prove that this is a right direction.”

## 2020，我们注定不平凡~

严意娜

2020，我们注定不平凡~雪崩之时，没有一片雪花可以幸免！然后我们每个人都可以做点什么以阻止或防范雪崩的发生！

谁都没想到会以NCP的全面爆发来开启全新的2020，这个众所期盼的从数字上和时间上看起来都那么特别的2020，因为新型冠状病毒的侵入而黯然失色，武汉在哭泣，中国在哀悼，全世界也跟着面临疫情，此刻，每个人都是疫情蔓延的对象，冰冷的数字每天都在变化，但背后却是一个个血肉生命，一个个父母子女，一个个希望和明天……

曾以为人类是地球的主宰，如今当人类无助地面临病毒的肆虐，我们除了抗疫，还要总结以避免重蹈覆辙。所谓多难兴邦大概就是指每次从灾难中反思，学会成长，给国家和人民以赋能，每一个普通人在这一刻都开始从琐事中解脱出来，停下匆忙的脚步，开始思考，开始行动，开始做出改变，聚沙成塔，每一个小小力量的积聚才使得国家强大，人民顺遂，否则只是轮回，然而我们每个人都该有这样的警醒意识，不然每个人都有可能成为下次灾难的受害者，而作为一名公益领域的从业者，职业赋予了我们更多的“感同身受”和“换位思考”，于是我们在疫情发生的那刻就在思考，作为一个地方性的平台型的公益组织，我们没有任何医疗专业背景，也不曾和武汉地区有过实质性的合作，对疫情的走势也只是来自网络和政府宣传的零星信息，我们如何能发挥自己的力量，在这样一个历

史时期履行好一个公民、一个慈善组织的基本职责，我们相信是每个人的思想和行动的共性形成了一个时代，我们希望爱、同理心、互助、勇敢能成为这个时代的主旋律，作为一家区域内的慈善组织，我们始终抱着善事从身边做起，改变从自己开始的心态，我们和很多有家国情怀的普通人一样，都期待为众人抱薪者，不使其冻毙于风雪；为自由开道者，不令其困厄于荆棘，然后我们每个人都可以是薪火的传递者，也可以是开山劈路的先行者。

最近在网上看到一段文字，有人说是出自鲁迅先生，但我认为带有普世价值的文字其出处已经不那么重要了，语言也是一种艺术，给人以力量，并且可以伴随我们走得很久很远：愿中国青年都摆脱冷气，只是向上走，不必听自暴自弃者的话，能做事的做事，能发声的发声，有一分热，发一分光，就像萤火一般，也可以在黑暗里发一点光，不必等候炬火，如若今后没有炬火，你便是唯一的光。谨以这段文字送给所有的我们的公益伙伴们，因为有你们的支持，我们被赋能去做了很多大胆尝试，去努力让身边变得更加美好，有曲解、有孤独、有“太难了”，但从来没有过退缩和放弃，因为我们始终相信，爱是一道光，可以照亮我们共同的梦想！

家是最小国，国是千万家，愿疫情褪去，还是我魂牵梦萦的大中华！还是那句话：新的一年，以“善”为名，向善而生，好好生活！

## In 2020, We Are Destined to Be Extraordinary!

YiNa Yan

No snowflake can escape in an avalanche! But everyone can do something to stop or prevent avalanches!

No one expected that 2020 would start with the outbreak of COVID-19. Our much-anticipated year 2020, which looks so special both numerically and chronologically, is overshadowed by the outbreak of COVID-19. Wuhan was crying. China is mourning. The whole world is facing this epidemic. At the moment, everyone is a victim of the epidemic. The cold numbers change every day. Behind the numbers are lives, parents and children, hope and tomorrow.

We used to believe that mankind is the master of the earth. Now humans are helpless in the face of a virus. In addition to fighting the epidemic, we should summarize our experience to avoid repeating previous mistakes. Much distress regenerates a nation. It means that we should introspect in every disaster, learn to grow, to empower our country and people. This is the moment when every ordinary person begins to free themselves from their daily routine, to stop their haste, to think, to act, to make a difference. Many little things make a difference. It is the accumulation of each small force that makes our country strong and our people prosperous, otherwise it's just repetition. All of us should be vigilant, otherwise anyone could become a victim of the next disaster. As professionals in the field of public service, our career endows us with more empathy and the instinct of perspective-taking. We have been thinking about it since the epidemic started. As a local public service organization with a platform, we have no medical professional background and have never had substantive cooperation with Wuhan. Our understanding of what's going on is only information from the Internet and government. How to use our power to fulfill our basic duties as a citizen and a charitable organization in such a historical period? We believe that it is the commonality of everyone's thought and action that forms an

era. We hope that love, empathy, mutual help and courage become the main themes of this era. As a regional charitable organization, we believe that we should do good deeds from around us and change ourselves first. We, like many ordinary people who love their family and motherland, expect that he who sends firewood for others shall not freeze to death in the snow; he who leads the way for freedom shall not be trapped in the thorns. Each of us can be a bearer of the torch and a pioneer clearing the path.

Recently I saw a paragraph of text on the Internet. Some say it was written by Mr. Lu Xun. But I don't think the provenance of universally valuable texts is that important anymore. Language is also a kind of art, which gives people power and can accompany us for a long time in a long journey: I hope young Chinese all get rid of their coldness, concentrate on climbing, ignore the words of those give up on themselves; do what you can, say what you have to say, contribute your heat to illuminate the world for others, like a firefly that also can illuminate the space in the dark; do not wait for the torch fire; if there is no torch fire, you are the only light.

This text is for all our public service partners. Because of your support, we have been empowered to make many bold attempts to make all around us better. There are misunderstandings, loneliness and hard times. But we never back down or give up, because we always believe that love is a light that can illuminate our common dreams!

A family is like a ministate; our country is formed by billions of families. When the epidemic recedes, our Chinese nation remains great! Once again, in this new year, in the name of goodness, let's live for good and live well!
