善园，邀您一起行善！

——从再读严公康懋行状说开去

近年来，因为慈善、因为善园，对宁波的近代乡贤——严公康懋先生的行状有了更进一步的认识。

严公康懋先生的商业版图涉及传统钱庄业的有上海的恒隆、永聚、恒大、恒赅，宁波的泰源、信源、衍源、永源、五源、鼎源、鼎恒、复恒、泰生、春生，杭州的寅源、仑源、崇源、益源，汉口的裕源，金华的裕亨、瑞孚、源亨、宝泰；现代银行业有四明银行、中国垦业银行、上海纱业信托银行、上海正大商业储蓄银行；信托业及交易所的有中华信托股份有限公司、四明信托股份有限公司、上海神州信托股份有限公司、中法合资万国物券金币交易所股份有限公司。此外还创办和丰纱厂、懋昌商轮公司，投资建设鄞奉公路，涉足农垦、房地产、洋货、银楼、木行、参行等。

在感叹于严公康懋先生在商场的纵横捭阖之余，发现他在慈善领域的作为也是相当广泛，门类众多。1911年，他与旅沪宁波商人余葆三、徐庆云集资创办宁波城内由国人创办最早的西式医院——普仁医院；1919年，参与“四明孤儿院”筹建；1920年，发起“泽仁公会”致力于解决厝棺问题；1922年，他“捐金十万，置田千亩，办义庄，以瞻族人之贫乏无告者，设学校于其旁，使寒酸子弟亦不至于失教”；1925年，参与“四明贫儿院”筹建并任委员长；1926年，任“宁波佛教孤儿院”上海部董事会董事。除了传统慈善领域之外，他还在地方自治和桥梁、道路、公园，甚至地方监狱等市政公益方面倾注精力，宁波的新江桥、老江桥、中山公园、鄞奉公路、万金塘、江东硇、江东平棗局、鄞县模范监狱等，都留下他往来奔波的身影。从救济族人，瞻老的

传传统善举到兴修水利、修桥铺路的近代慈善，再到为地方兴利除弊、造福一方的自治事业，从常态救助到临时救急，他都竭力参与。

作为后来者，感觉除了在传承、发扬老一辈“宁波帮”商人、慈善家那种“兼济天下”的情怀之外，更应该在融合、创新方面有所作为。善园，承载着“承善风以传良俗”之使命，依靠宁波这一得天独厚的慈善文化传承，以“纳世间万物为善”的胸怀和气度，动员全社会的力量来帮助善园迭代升级，营造更符合时代需求、具时代特征的慈善事业。

大公益是每人来做一点点，大慈善是全社会的人人参与。善园肇始之初，已确立将善园作为“善场域”来营造的愿景，希望围绕“善”这一共通永恒的价值，吸引众多的有识之士来参与共创、共享、共治。鉴于此，2019年，善园将继续在急难救助、公益倡导、公益创投方面发力。除继续提供救助平台，强化培育、孵化功能以外，还将尝试设立或推出“善园·社会创新实验室”、“善园·善品”等内设机构和产品，为善园赋能，为各界人士参与公益提供更高、更好的平台。

善园，是修学场域，是催化平台，是使能空间。

善园期待着您的参与和赋能，在善园这一城市慈善文化地标中，留下您行善的痕迹。

善园，邀您一起行善！

Thoughts after re-reading the biography of Yan Kangmao.

In recent years, thanks to charity and Shanyuan, we have a better understanding of Mr. Yan Kaomao, a modern county sage in Ningbo.

Mr. Yan Kaomao's business empire involves the traditional bank industry of Henglong, Yongju, Hengda and Hengdai in Shanghai, Taiyuan, Xinyuan, Yanyuan, Yongyuan, Wuyuan, Dingyuan, Dingheng, Fuheng, Taisheng and Chunsheng in Ningbo, Yinyuan, Lunyuan, Chongyuan and Yiyuan in Hangzhou, Yuyuan in Hankou, Yuheng, Ruifu, Yuanheng and Boatai in Jinhua; the modern banking industry of Siming Bank, Land Bank of China, Shanghai Yarn Trust Bank, and Shanghai Zhengda Commercial Savings Bank; the trust and exchanges industry of China Trust Co., Ltd., Siming Trust Co., Ltd., Shanghai Shenzhou Trust Co., Ltd., and Universal Gold Exchange Co., Ltd. as a Sino-French joint venture. In addition, he established the Hefeng Yarn Factory and Maochang Merchant Ship Company, invested on the construction of Yinzhou-Fenghua Highway, and got involved in industries of agricultural reclamation, real estate, imported products, jewelries, wood trade and ginseng trade.

While marveling at his great business achievement, we also find that Mr. Yan Kaomao's deeds in the field of charity are quite extensive and various. In 1911, Yu Baosan, Xu Qingyun (Ningbo businessmen in Shanghai) and he raised funds to establish the Puren Hospital, the earliest western-style hospital founded by the Chinese in Ningbo; in 1919, he participated in the preparation of the Siming Orphanage, in 1920, he initiated the establishment of Zeren Association to solve the problem of placing coffin in the house. In 1922, he donated 100,000 yuan and purchased thousands of acres of land to build the school, and as a result, poor children had the chance to study in it; In 1925, he participated in the preparation of the Siming Poor Children's School and served as the chairman; in 1926, he served as the director of the Ningbo Buddhist Orphanage Shanghai Branch. In addition to traditional charity industry, he also devoted himself to local self-government and municipal charities such as bridges, roads, parks, and even local prisons, and participated in the construction of Laojiang Bridge, Xinjiang Bridge, Zhongshan

Park, Yinzhou-Fenghua Highway, Wanjintang, Jiangdong Water Gate, Jiangdong Rural Relief Alliance and Yinxian Model Prison. He exhausted his ability in the traditional good deeds of relieving the people, looking forward to the elderly and raising children, to the modern charity of building water conservancy and bridges and paving roads, and to the self-government undertaking of promoting local advantages, eliminating disadvantages and benefiting local people, as well as from the normal assistance to emergence rescue.

As a descendant of his generation, I feel that in addition to inheriting and carrying forward his spirit of benefiting the world, we should also make progress in integration and innovation. Adhering to the mission "Promoting good customs by inheriting the traditional quintessence", and relying on the unique cultural heritage of charity in Ningbo, Shanyuan encourages the public participation for its improvement and upgrading, thus creating a philanthropy with era characteristics to meet the demands of time.

The broad sense of public benefit and charity requires the participation of the whole society. Since the establishment, Shanyuan has been recognizing itself as the land of goodness. It is hoped that, by sticking to the eternal value of "Goodness", we can attract people of insight to participate in our creating, sharing and governing activities. Good Garden will continue to play an important role in emergency relief, public welfare advocacy and venture philanthropy. In addition to the traditional functions of providing rescue platform as well as strengthening the cultivation and incubation, Shanyuan will try to set up or launch such internal institutions and products such as "Shanyuan · Social Innovation Lab" and "Shanyuan, Shanpin", thus providing a higher and better platform for people from all walks of life to participate in public welfare career.

Shanyuan is not only a place for study and a catalytic platform, but also an enabling space.

With your participation and support, we together may add a new chapter to the charity culture of the city.

Join the philanthropy of Shanyuan right now!

腊八，中华民族的传统节日，也是一年中最寒冷的时候。为了让早起匆忙上班来不及吃早饭的人们邂逅一份不期而遇的温暖，善园于腊八当天在宁波各人流密集地段免费向来往的行人发放腊八粥；同时组织志愿者队伍将腊八粥定点送往环卫工人休息站、敬老院、收容所、社区及乡村老人家中等处。

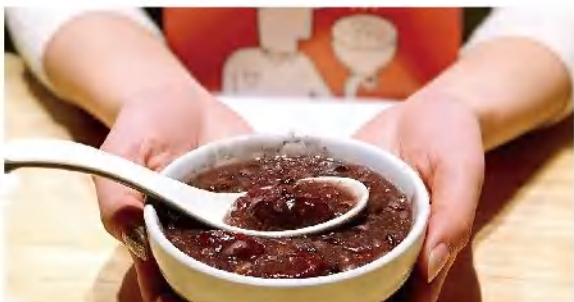

项目上线后宏德基金会捐粥5000份；范文虎国医馆捐粥4000份；浙江明磊工具实业有限公司捐粥3000份；新四方捐粥400份；陈生记黑鱼馆携手方兴菜篮子捐粥433份；芽笼九巷田鸡粥捐粥300份；鄞州区再生资源行业协会捐粥200份……善园网上，捐赠几十上百份粥的爱心人士比比皆是，最终募款截止时共募得11919.90元，这些款项全部用于善粥食材采购、包装、运输等费用，不足部分由鄞州银行公益基金会补足。

另一方面，宁波市各大公益组织及社会各界爱心人士组成的志愿者团队也都积极参与到本次活动中来，不但迅速组织了腊八当天各个点位的派粥队伍，很多志愿者还参与了活动的前期准备工作中。

Laba Porridge Warms Heart and Stomach

Laba is the traditional festival of Chinese nation, as well as the coldest time of a year. In order that the people getting up early, rushing to work and skipping breakfast will encounter an unexpected warmth, Shanyuan distributes Laba porridge free of charge to the passers-by in crowded areas, while organizing the volunteer team to send Laba porridge to the designated sanitation worker's rest stations, nursing homes, shelters, communities and rural elderly homes, etc. On the other hand, Ningbo's public welfare organizations and volunteer teams of social generous people also actively participated in this event, to quickly organize the porridge distribution team at various locations on the Laba Day, and many volunteers also involved in preparatory work of the event.

The advertising and media industry in Ningbo also joined in the dedicated team, Juce Media provided design, planning and supportive implementation for the event; United Power played the city's outdoor large-screen advertisement; the member units of Ningbo Network Culture Association successively forwarded it.

Shanyuan · City Temperature Serial Activities

If such titles as the First Group of Top-Quality Demonstration City in China, the First Pilot Demonstration City of "Made-in-China 2025", the First "Hygienic Model City" in China, the National Eco-civilization Pioneering Demonstration Zone, etc show the speed of Ningbo's urban development, the vigorous development of public welfare projects reveals the urban temperature of Ningbo. In order to practice the philosophy of "everyone engaging in public welfare at hand", Shanyuan launched the Shanyuan · City Temperature Serial Activities in 2018; whether it is a cup of hot porridge in winter morning or a bottle of herbal tea on summer street, it is the special temperature of Ningbo, a city of love.

宁波市广告和传媒行业也加入到爱心奉献的团队中，玖策传媒免费为活动提供设计、策划并辅助执行；联合动力特别插播全城户外大屏广告；宁波市网络文化协会各个会员单位相继转发推送。

这是我们第一次发起如此大规模的施粥，通过大家的努力12000份善粥陆续送达宁波的各个派粥点位，由志愿者团队进行发放，同时由范文虎国医馆捐赠的4000份善粥也顺利送达颐乐园等全市各养老机构。

腊八活动当天善园累计发放善粥16000余份，我们将继续传递这份温暖。

12,000 porridges were delivered to all locations in Ningbo according to the planned quantity. All volunteer teams successfully completed the distribution of Laba porridge, and 4,000 porridges donated by Fan Wenhui National Medical Center also arrived at the elderly care agencies such as Yileyuan...

This is a fairly "successful" warmth delivery activity, and all locations have basically completed the task of distributing porridges beyond the set quantity, but our Shanyuan people have mixed feelings in heart: feeling relieved seeing citizens drinking hot porridge, sincere apology to the volunteers and citizens waiting bitterly in cold wind and deep self-blame for their improper work, all of which will be kept at the bottom of heart, to push us forward all the way.

给快递小哥送温暖

不管是怎样的恶劣天气，这些快递小哥们始终穿梭在城市的各个角落，只为让市民能尽快收到快递，让下单后的期待不会落空。

现代人与快递、跑腿打交道越来越频繁，在打开包裹的同时，也请不要忘了这群不辞辛苦、默默工作的人们。

Deliver Warmth to Courier

On February 23, Ningbo Shanyuan Foundation jointly launched the “Shenyuan · City Temperature—Deliver Warmth to Courier” Activity with Zhenxunji, so that the courier brother can also feel the joy of receiving gifts.

200 blessing bags are on sold during the activity, and all charity funds from the sales are used to buy the Lantern Festival gifts for economically difficult courier brothers, to feel the warmth of Ningbo City.

No matter what bad weather, these courier brothers always shuttle in all corners of the city, only for citizens to receive the courier as soon as possible, so that the expectation after placing the order will be satisfied.

Modern people are more frequently dealing with express delivery and errands. While opening the package, please don't forget this group of people who work hard quietly.

炎炎夏日，环卫工人们在挥汗如雨中保障着这座城市的美丽和整洁。宁波街头出现的“爱心冰箱”，在烈日下送来一股清凉。

Shanyuan · City Temperature—Refrigerator of Love

In the hot summer, our sanitation workers are protecting the beauty and cleanliness of this city under dripping sweats. The “Refrigerator of Love” appearing on the streets of Ningbo recently sends cooling under the scorching sun.

On the morning of August 14, the “Cooling Summer” Refrigerator of Love Donation Ceremony was launched at the “Jinling Station” Academician Park. 亲子教育 城乡互助

清晨五点,云南省攀枝花援少会组织二十一户志愿者家庭,前往山区——盐边县渔门镇,开展“城乡互助”之“冬日暖阳益路行”的大型公益活动。他们将捐赠衣物包装成礼物后,由志愿者家庭分派发到受助人家中。

小义工这样写道:“他们的家都在离村委会大约半小时车程的山上,平常他们都住在学校,周末才走路回家帮着家里干活。陈杰是一个与我一般大小的阳光男孩子,我们一起讲起学习上的知识,各自学校的趣闻,相互的爱好;郭宏是一个四年级的小女孩,她开朗活泼,喜欢跑步和跳绳,以后的理想是当一名体育老师。我除了代表援少会,给她家送去棉被、羊毛衫、冬衣和学习用具外,还送给她一本我最喜欢的《草房子》,并且告诉她故事里我喜欢的人物和情节,希望她也和我同样喜欢阅读。我第一次到真正的农家,对那里的一切都感到十分的新奇。在陈杰家,他和他的姐姐教我烧柴火灶,教我认蔬菜农作物;在郭宏家,她带我去猪圈喂猪。这些事情,他们做起来得心应手,而我笨手笨脚。”

《攀枝花市援助少年儿童志愿者协会》简介:成立于2007年,致力于社会公益活动的组织倡导及动员,整合社会资源为城乡贫困、流动留守、孤残等困境儿童提供援助及相关服务,曾荣获四川省十大杰出志愿服务集体等荣誉称号,并获准成为全国首批青少年事务社会工作示范项目单位。

一座校舍，两地情缘

鄞州是爱心之城，千年义乡，鄞州人的大爱不仅温暖与感召着在这片热土上工作、生活的每一位新老鄞州人，也一次次跨越千里之遥，遍及贵州、湖南、云南、新疆等更需要帮助的地区。

被称为“支教奶奶”的李惠利小学退休教师周秀芳，就是展现文明鄞州风采的代表人物。

2015年，退休之后的周秀芳奶奶，放弃了原本安逸的生活，来到湖南省怀化市溆浦县九溪江畔支教。两年多的时间里，为了实现“让每一个孩子享受到公平的有质量的教育”的心愿，周奶奶忍受着晕车、恐高、膝盖痛带来的不适，在茅草搭建起来的、没有玻璃窗、没有水泥砖头的危房里，给孩子们上课。一有空，就四处去家访。与此同时，她还在家乡宁波筹措善款为山区孩子购买了床、被子、校服和大量体育设施，并完成了328名学子与宁波爱心市民的结对。

A School Building, Love in Two Places

Yinzhou is a city of love and a millennium charity town; the love of Yinzhou people not only warms and inspires every new and old Yinzhou person who work and live on this passionate land, but also spans thousands of miles away, covering Guizhou, Hunan, Yunnan, Xinjiang and other areas in need.

Zhou Xiufang, a retired teacher of Li Huili Primary School, known as the “Volunteer Teacher Grandma”, is such a representative figure reflecting the spirit of “charity town” and the charming Yinzhou civilization.

In 2015, after retiring, Grandma Zhou Xiufang gave up the original comfortable life for volunteer teaching by the Jiuxi River Xupu County Huaihua City Hunan Province. Over two years, in order that “every kid receives fair and quality education”, Grandma Zhou endured the uncomfortable car sickness, fear of height and knee pain, taught classes to the kids in the dangerous thatched hut without glass window and cement brick, and visited families in the spare time, meanwhile, she also purchased beds, quilts, school uniforms and a large number of sports facilities for mountainous area children with the funds donated in the hometown Ningbo, and paired 328 students with Ningbo’s benevolent citizens.

在她的牵线搭桥下，北斗溪镇、小横垅乡、淘金坪乡、两丫坪镇、低庄镇、舒溶溪乡等乡镇8所爱心学校一一建成，另有12所爱心学校也将陆续开工。

每筹建一所学校，周奶奶都要一次次走访当地村民及教师。从建校前的考察，到施工过程的跟进，再到投入使用后的回访，周老师都亲力亲为。

2018年五月，周奶奶来到了善园，为筹建的第21所学校发起募款。

这第21所学校位于溆浦县北斗溪镇红花村。

红花村小学始建于1952年，最后一次重建是在1986年，经过这些年风吹日晒，因教学楼整体老化程度十分严重，存在很大的安全隐患。2014年时，该校学生已转移到十多里外的九溪江中心小学就读，旧学校也于2016年拆除。

Under her matchmaking, Beidouxi Town, Xiaohenglong Village, Taojinping Village, Liangyaping Town, Dizhuang Town and Shurongxi Village... 8 Love Schools were built up one by one, and another 12 Love Schools will also start construction.

Every time a school was set up, Grandma Zhou visited local villagers and teachers again and again. From the inspection before establishment of school to the follow-up of construction process, and then the return visit after operation, Teacher Zhou measured with footsteps, inspected and controlled personally.

In May 2018, Grandma Zhou came to Shanyuan.

“In the few years of volunteer teaching, I have investigated many schools to be constructed,” said Grandma Zhou. “I am too old to walk, but hopefully I can help with another school.”

This 21st school is located in Honghua Village Beidouxi Town Xupu County.

Honghuacun Primary School was founded in 1952, and finally reconstructed in 1986. After years of wind and sun, serious corrosion of the overall building indicated big hidden safety hazard. In 2014, all students were transferred to study in the Jiuxi River Central Primary School more than 10 miles away, and the old school was also demolished in 2016.

50多个孩子每天要翻一两座山走十几里路去上学。周奶奶非常希望孩子们在家门口就能入学。

为了实现周奶奶的心愿，“为‘支教奶奶’和五十多个孩子圆梦”项目在善园网上线，24小时内完成募款111486.58元，之后听闻消息的鄞州区各幼儿园、中小学及各机关单位纷纷自发组织加入一起捐活动，3天时间共有5611人次参与捐赠，313名爱心网友发起了一起捐，完成募捐332314.14元，最终希公益基金捐献168,000.00元，赶在六一儿童节到来之前筹满了项目所需要的款项，为红花村的孩子们献上了一份特殊的六一节礼物。

10月26日上午，湖南省怀化市溆浦县北斗溪镇红花鄞州娅存希希望学校落成，这是“支教奶奶”通过善园网向全社会众筹的一所特殊的希望学校。建筑面积300平方米，两层楼共4间教室，配有学生食堂、教师寝室和图书室等，同时存希公益基金也追加捐赠50800元，用于帮助学校采购课桌椅等设备。

周奶奶的大爱情怀是我们公益人的学习榜样，她先后获评“2016感动中国之感动湖南”人物、“浙江好人”、湖南省“最美湘女”等称号。2018年10月17日，喜讯传来，周奶奶荣获全国脱贫攻坚“奉献奖”，获悉这一消息后周奶奶激动不已，她说：“我是一名小学退休教师，能获得这么高的荣誉，要感谢那些在我支教途中默默支持帮助我的幕后英雄们，是他们的支持帮助和对贫困孩子的爱心，让我走上了领奖台。”

Grandma Zhou hopes that more than 50 children traversing one or two mountains and walking dozens of miles for school every day can study at their doorway.

In order to realize the wish of Granma Zhou, and avoid long-distance travel of kids, the project of “Realize Dream for ‘Volunteer Teacher Grandma’ and Over 50 Children” was launched on 17xs.org to raise funds of 111486.58 within 24 hours; after hearing the news, kindergartens, primary and middle schools, as well as various government agencies in Yinzhou District spontaneously organized and joined the donation activity; within 3 days, a total of 5,611 persons participated in the donation. 313 benevolent netizens initiated donation together, to complete a donation of RMB 332,314.14; as a result, the Xi Public Welfare Fund donated RMB 168,000.00, to complete raising of all required project funds before the arrival of Children’s Day, and present a special Children’s Day gift for the children of Honghua Village.

On the morning of October 26, Hunan Province Huaihua City Yupu County Beidouxie Town Honghua Yinzhou Jicunxi Hope School completed construction, which is a special hope school with crowd-funding by “Volunteer Teacher Grandma” to the whole society via the 17xs.org. The building covers an area of 300 square meters, 4 classrooms on two floors, student canteen, teacher dormitory and library. Furthermore, the Cuixi Public Welfare Fund also donated an additional RMB 50,800 to help school purchase desks, chairs and other equipments.

Grandma Zhou’s great love is the role model of our philanthropists. She has been awarded the titles of “2016 Touching China Touching Hunan” Figure, “Zhejiang Kind Person” and Hunan Provincial “Most Beautiful Hunan Woman”. On October 17, 2018, good news arrived, Grandma Zhou was honored with the National Poverty Alleviation “Dedication Award”, and hearing the news, Grandma Zhou was excited, saying, “As a retired primary school teacher, I’d like to appreciate those backstage heroes supporting me silently, so that I win such a high honor; because of their support, assistance and love for poor kids, I step on the awarding podium.”

“自然的馈赠” 共享稻田认领项目

为认真贯彻落实中央关于精准扶贫的精神要求，鄞州着眼“和龙所有、鄞州所能，资源对接、发展共享”，依托吉林省延边州和龙市独特的农业、生态、环境等综合优势，一方面把和龙的有机农产品直供鄞州，让鄞州群众共享口福；另一方面把最大的利润留在和龙，让和龙群众特别是贫困户脱贫增收，初步探索了一条扶贫增收的新路子。

和龙光东村大米是中国历史上唯一有文献记载的贡米，曾获颁周恩来总理亲笔题词的“水稻奖”，2017年被评为全国有机食品生产基地。项目将试点稻田划分成每块面积100平方米，产出大米约100斤、认筹价格为1000元。认筹人能够设立专属水稻冠名牌，实行稻米生产全程可视化监控，并提供加工、配送、保存等一条龙服务。

“共享稻田”开创了农产品的C2C模式，和龙农户直接面向爱心市民，减少了许多中间环节，把原本中间环节的利润直接转让给农户，切实把“米袋子”变成了农户的“钱袋子”，也将和龙大米这一“自然的馈赠”变成了爱心人士“餐桌上的口福”。

"Gift from Nature" – Sharing Rice Field Claim Program

In order to earnestly implement the central government's spiritual requirement of precise poverty alleviation, based on the principle of "Ownership of Helong, Capability of Yinzhou, and Resource Connection, Development Sharing" and depending on the unique agricultural, ecological, environmental and other comprehensive advantages, on one hand, the organic agricultural products of Helong are directly supplied to Yinzhou so that people of Yinzhou can share together, and on the other hand, the maximum profit is reserved for Helong so that people of Helong, especially the low income families can increase their incomes. It is a new way to help the poor and increase incomes elementarily explored.

Rice of Helong Guangdong Village is the only tributary rice recorded in Chinese history. It was awarded the rice prize by Premier Zhou Enlai in his own inscription and was awarded the national organic food production base in 2017. The program divides the pilot rice fields into 100 square meters each, yielding about 100 kilograms of rice with a subscription price of RMB 1,000.

The subscribers can set up exclusive rice crown brand names, and the rice production process can be visually monitored. Besides, one-stop services such as processing, distribution and preservation are provided. "Sharing Rice Field" has initiated the C2C mode of agricultural products. Farmers of Helong can directly trade with the loving citizens, reducing many intermediate links, transferring profits from the original intermediate links directly to the farmers, which has effectively turned the "rice bags" into "money bags" of farmers and also turned Helong rice, the "gift from nature" into the tasty food of loving people.

青海省玉树州曲麻莱县曲麻河乡多秀村寄宿制学校位于曲不公路沿线，目前共有学生86名，都是农牧区的孩子，学校离家最远的有200多公里。

来自启年青少年成长俱乐部的志愿者们在了解到多秀小学的困境后，通过善园平台向社会求助。在善园工作人员的努力下，“爱心援助多秀村小学”项目顺利上线腾讯公益99公益日筹款活动，通过线上传播及线下活动，共有一千多名爱心网友参与捐赠，项目获得捐款及腾讯配捐共计44246.23元，离完全实现目标仍有8000多元的缺口，眼看寒冬将近，孩子们的过冬物资款仍未筹满，正当志愿者们打算削减预算，将保暖内衣的采购数量由每人两套减少为每人一套时，宁波通商银行相关领导在获悉这一情况后仗义出手相助，由通商银行在善园设立的通商公益慈善基金捐赠8213.77元补足了款项缺口。

所有物品被寄送到了格尔木的庄加老师家中（多秀学校代课老师），再由庄加老师叫车运送至学校为孩子们进行现场发放。看是现场反馈回来孩子们欢笑的脸庞，我们更深切的体会到了“为善最乐”这句话所蕴含的真意。

宁波诺丁汉大学传球计划

传球计划起源于贵州省六盘水市水城县果布嘎乡高石小学三年级学生马建降的一个梦想。他希望能有一名真正的足球老师，带他在真正的足球场上踢一场真正的足球。一个偶然的机会，一群同样热爱足球的宁波诺丁汉大学生发现了这个大山深处的小小梦想，兴起了为马建降与他所在的高石小学建造足球场的想法。传球计划就此诞生。

2017年暑假，18名志愿者，携5000余元资金，飞跃2000米海拔。他们在贵州六盘水建起了传球计划的第一座足球场并购买了各种足球用品。为了让更多当地孩子受益，足球场建在居民聚集的山顶，另一边是悬崖，所以球场又被称为悬崖足球场、云端足球场。

在支教期间，他们还为孩子们开设了足球课。每天下午近3小时的足球课非常受孩子们欢迎。他们在球场上跑着跳着，一个个盯着脚下的足球，涨红了脸，红领巾也歪在一旁，擦破皮流血也不理睬。

志愿者们为什么选择了足球？足球是一项多人参与团队合作的竞技项目，能够塑造他们的自信、团队精神与融入社会的能力，也让他们对未来充满向往，对生活坚持不懈。

中国有6100万留守儿童，与这庞大的基数相比，我们现在做的还太少。或许我们无法改变现在，但我们有可能改变这些孩子的未来。

Media Focus—Significant Report

浙江卫视：《宁波善园，如何广结善缘》

9月18日，浙江卫视今日评说栏目播出了名为《宁波善园，如何广结善缘》的专题报道。

评论员舒中胜认为，善园是一个有故事的地方，经历百年的一砖一瓦，是网络上找不到的历史感，当人们置身其中的时候，就是一种爱的教育。线下的善园建成凝聚了很多人的善举，线上的宁波善园又成了网民们人人皆可慈善的心灵家园，善园就成了公众了解公益慈善的一扇窗口。

舒中胜提出，所谓“人心向善”，指的是每个人内心深处都有一种做好事的冲动，关键是怎么把它激发出来，怎么给它找个地方安放。“互联网来了，做慈善的门槛降低了，你花一块钱是做公益做慈善，你也可以用你的时间来参与公益，参与慈善。”

同时，他也提到，这几年跟公益慈善有关的负面新闻不少，究其原因是不够透明和专业，而登陆善园网可以很方便快捷地查到每一个项目的设立情况、每一笔善款的筹集情况、每一笔善款去向。作为一个公益平台，光有爱心是不够的，它还需要透明，更需要有专业的从业人员进行专业化的操作，这样才能使行善更加高效，也更加精准。

公益和慈善是有区别的，慈善应该是低调的，公益应该是越高调越好。慈善是有钱人的权益，但公益是每个人的权益。“我们大多数人没有严康懋先生这样的实力和财富，但可以身体力行，去尽自己的绵薄之力。善园这样的平台，大大降低了做慈善的门槛，它有可能把点上的好人好事变成线上的群像，打造出一种社会新风尚，让公益成为一种习惯，让慈善从盆景变成风景。”

Zhejiang Satellite TV: Ningbo Shanyuan How to Make Charitable Affinity

On September 18, Zhejiang Satellite TV program of Today's Comments broadcasted a special report entitled Ningbo Shanyuan, How to Make Charitable Affinity.

Commentator Shu Zhongsheng believes that Shanyuan is a place with stories. The bricks and tiles experiencing a hundred years deliver a historical feeling that is absent on the Internet. When people come to it, it is an education of love. The established offline Shanyuan gathers the charitable deeds of many people, the online Ningbo Shanyuan is a spiritual home for all charitable netizens, and Shanyuan is a window for the public to understand charity.

Shu Zhongsheng points out human heart tends to be benevolent, which refers to an inner impulse of good deeds, but the key is how to inspire it, how to find a place for it. The Internet has come, and the threshold for doing charity is lowered. You can either spend RMB 1 for public welfare and charity, or spend your time in public welfare and charity.

Meanwhile, he also mentions many negative news concerning public welfare and charity in recent years, due to insufficient transparency and professionalism, while the establishment of each project, fundraising of each donated fund, whereabouts of each fund can be checked very conveniently and quickly by logging onto the 17xs.org; as a public welfare platform, only a heart of love is not enough, transparency is required, and it also needs professional practitioners for professional operations, so that charitable deeds are more efficient and accurate.

Public welfare and charity are different, because charity should be low-key, whereas public welfare is the more high-key the better. Charity is the rights and interests of the rich, but public welfare is the rights and interests of everyone. Most of us do not have the strength and wealth of Mr. Yan Kangmao, but we can practice earnestly, and contribute our share. Such a platform of Shanyuan significantly reduces the threshold of charity, it may turn good people and good things into online images, create a new social trend, develop the public welfare into a habit, and change charity from bonsai to scenery.

浙江日报：《宁波善园，让城市更温暖》

2018年9月17日，浙江日报社会版刊登了《宁波善园，让城市更温暖》报道。

文中写到：走进鄞州区钟公庙街道，高楼林立间，一处清末民初的历史建筑群十分打眼。这片建筑，是迄今发现的种类最为丰富的宁波帮慈善建筑群。它的主人，是上世纪初叱咤上海滩的早期“宁波帮”代表——实业家、银行家、慈善家严康懋。

“园子里的一砖一瓦，背后都有一段故事，凝聚着千万爱心人士的热心。”漫步于这座设计精巧的江南园林中，工作人员指着广场上成干块的石板告诉记者，每一块都来自于热心市民众筹。善园设计师葛其浪将珍藏几十年的明清建筑构件，完美地结合到了原本的建筑中。善园中郁郁葱葱的乔木、植物，由蓝海绿业、三生集团、宁波林场等企业捐赠，室内的空调、电梯、家具、灯具也都由爱心企业捐赠。

“原先的义仓如今成为志愿公益孵化小院，面积最大的义学成为传统文化公益教学展示场所，目前正在展出慈善系列泥塑展，义庄则为仓储和管理用房，扩建的三栋小楼成为公益组织的办公场所。”工作人员告诉记者，如今的善园已成为市民了解公益慈善的一扇窗口。

Zhejiang Daily: Ningbo Shanyuan Makes the City Warmer

On September 17, Zhejiang Daily Social Edition published the report of Ningbo Shanyuan Makes the City Warmer.

The article reads: Entering Zhonggongmiao Street in Yinzhou District, among high-rise buildings, a historical building complex of late Qing Dynasty and early Republic of China is very eye-catching. This building is the most abundant Ningbo-style charity building complex discovered so far. Its owner is the representative of early “Ningbo group” sweeping Shanghai at the beginning of the last century — industrialist, banker and philanthropist Yan Kangmao.

“The bricks and tiles in the garden have a story behind them, which embodies the charitable deeds of thousands of benevolent people.” Walking in this well-designed south China garden, the staff pointed to thousands of stone slabs in the square and told reporter that each piece came from crowd-funding of enthusiastic citizens. Shanyuan designer Ge Qilang perfectly integrated his collection of Ming and Qing architectural components over decades into the original building. The lush trees and plants in Shanyuan were donated by companies such as Lanhai Green Group, Sansheng Group and Ningbo Forest Farm, etc, and the indoor air conditioners, elevators, furniture and lamps were also donated by benevolent enterprises.

“The original Yicang has become a voluntary public welfare incubation yard, and Yixue with the largest area is a place of demonstrating traditional culture and public welfare teaching. Currently, clay sculpture exhibition of charity series is under exhibition. Yizhuang is the storage and management house, and three small buildings expanded have become the office of public welfare organization.” The staff told reporter that today’s Shanyuan is a window for the citizens to understand charity.

TO 2019

2019，让我们的生活与公益有约～

公益是什么？很多第一次接触公益的人可能会有这样的疑问，但当我们提出这个问题，讨论的自然不是百度百科上两三行的定义，而是在探索与之相关的附加。在我看来，公益是融入在生活中的，是全社会的，更是和每个人息息相关的。

如果将公益喻之为生活哲学，或许很多人都会觉得无稽，但从我自己这十年公益之路走来，越发觉得公益就是一种生活方式，是公益让我在最近几年的生活中发现人性之美、社会之美，也让自己越来越自信，以及每个人都可以改变社会之可能性，想起小时候所谓的“梦想”就是“我要改变世界”，现在看来，梦想照进现实，也是可以丰满而光明的。

公益和慈善的区别是很多业内人士喜于讨论的，在我看来，慈善是历史的，公益则是当下的慈善，两者最大的不同在于不同历史时期的社会呈现。当我们翻阅历史的慈善档案，就会发现历朝历代慈善都不曾退出历史舞台，且越是太平盛世，慈善就越盛行，翻开《鄞县史志》就会看到上世纪初鄞县的公益慈善事业一片繁荣景象，鄞县救济院下辖养老所、育婴所、施医所、施棺掩埋所、残废所、教养所、保良所、贷款所等，每一个所均有房产、地产供出租收益，贷款所负责善款资金运作，专门贷给小商小贩，利息由政府补助。既盘活了经济，又使慈善机构有了稳定的善款来源，政府也通过贴息贴息方式实现了智能转移，这是一个非常好的机制和制度设计。感谢先人，为我们留下了寄托个人或群体社会情感与思想的宝库，就像历史长河中一块块镌刻着文化与往事的岩石。而百年后的今年，物资资源到了最为丰盈的时候，慈善却百废待兴，所幸，中华文明所带给我们的对生活美学的孜孜以求不曾丢失，从全国首个银行业发起的基金会——鄞州银行公益基金会的成立，到浙江省首个民间发起的公募基金会——善园基金会的成立，再到全国首个公益慈善综合体——宁波善园的建成，都彰显了宁波千年历史文化带给我们厚重的家国情怀，生活不只有眼前的柴米油盐，还有诗和远方，更有对未来时空的责任和念想。

回想一起走过的这些年，善园网让80多万人次实现小额网络捐赠，7000多个人（家庭）因善园网而实现改变，2018年善园又荣获中华慈善奖这个沉甸甸的国内公益慈善领域最高奖项。2019年，善园小主人、善园善募官等志愿服务品牌将为宁波家庭提供更多参与公益的机会和平台，善园善集、善园善品则让我们市民感受到公益和文创产品、文化活动结合后碰撞出的生活之美，“善荷计划”青年社会创业支持项目让宁波的青年在择业就业上多一个“公益”的选项……

在善园，瞻仰着以严康懋先生为代表的先人们留给我们的慈善文化，站在这几百年石基上，践行着我们“善善与共 天下大同”的当下使命，唯有“善”是生活中最美的表达。新的一年，以“善”为名，好好生活！

In 2019, Our Life Has Appointment with Public Welfare ~

What is public welfare? Many people who come across public welfare for the first time may have such a question, but when we ask this question, we are not discussing the definition of two or three lines in Baidu Encyclopedia, but exploring the additional things related to it. In my opinion, public welfare is integrated in life, belonging to the whole society, and closely associated with everyone.

If we compare public welfare to life philosophy, perhaps many people think it is nonsense, but from my road of public welfare over ten years, I feel that public welfare is a lifestyle and enables me to discover the beauty of personality and society in my life in recent years, and become more confident about the possibility that everyone can change the society. I remember the so-called “dream” in childhood is “I want to change the world” ; at present, it seems that dream will come true, both diversified and bright.

Many insiders like to discuss about the difference between public welfare and charity. In my opinion, charity is historical and public welfare is current charity. The biggest difference between the two is the social presentation in different historical periods. When we flip through the historical charity archives, we find that the charity of the past dynasties have never withdrawn from the historical stage, and became more prosperous in more peaceful periods; upon opening the Yin County History, the public welfare charity undertakings in Yin County in the early last century were blooming, there were elderly care homes, nursery homes, medical institutions, coffin and burial sites, disabled houses, correctional places, kindness maintenance agencies and loan agencies under jurisdiction of the Yin County Relief Institute, and each of them had the real estate and properties for renting and profits; the loan agency was responsible for donated fund operation, especially lending to small business hawkers, whereas the interests were subsidized by the government, to both vitalize the economy and ensure stable fund sources of charity institutions, and the government also realized smart transfer by subsidizing interests, which is a wonderful mechanism and system design. Thanks to the ancestors, we have a treasure of personal and group social emotions and thoughts, just like the historic rocks engraved with culture and past events. A hundred years later, this year, when the material resources are the most abundant, charity needs further development. Fortunately, the Chinese civilization has brought us long-lasting pursuit of life aesthetics; from the establishment of the first Chinese foundation of banking industry—Yinzhou Bank Public Welfare Foundation to the first public fundraising foundation initiated among the people in Zhejiang Province—Shanyuan Foundation, followed by China’s first public welfare and charity complex—Ningbo Shanyuan, all showcase the profound patriotism brought by Ningbo’s millennium history and culture; there are not only firewood, rice, oil and salt in life, but also poem and remote place, more responsibility and longing for the future time and space.

Recalling the past years together, 17xs.org has achieved small-scale online donations of more than 800,000 persons, and brought changes to more than 7,000 people (families). In 2018, 17xs.org won the China Charity Award, a heavyweight top award in domestic public welfare sector. In 2019, Shanyuan Small Master, Shanyuan Philanthropic Fundraising Officer and other volunteer service brands will provide more opportunities and platforms for Ningbo families to involve in public welfare. Shanyuan Shanji and Shanyuan Shanpin enable our citizens to feel the beauty of life after fusion of public welfare, cultural creative products and cultural activity, the “Shanhe Project” Youth Social Startup Support Program opens another option of “public welfare” for Ningbo youths in job selection… In Shanyuan, paying tribute to the charity culture of ancestors represented by Mr. Yan Kangmao, standing on the stone foundations of hundreds of years, we practice our current mission of “mutual charity and mutual integration” , and only “charity” is the most beautiful expression in life. In the new year, live a good life in the name of “charity” !
